Put on Your Boogie Shoes Betty!

Full disclosure: there is nothing Redhead Betty loves better than putting on a party, and there is nothing Blonde Betty dreads more. It's entertainment yin and yang.

The beautiful thing is, after learning about these chic new resources - Blonde Betty is all "send out the invitations! Let's get this party started!"

So let's go:

NEW ENGLAND COUNTRY RENTALS

When Kelly and her finance were planning their wedding they searched all over for antique farm tables to create the look they wanted.

Now in addition to the tables, they rent chairs, benches, tableware, and other unique rustic elements for weddings, fundraisers, family reunions, or coastal dinners.

They add a relaxed & charming elegance to any event.

SPERRY TENT

A tent! A tent! Nothing fires our party fantasies like a pretty white tent. But ugh. Not the flea-market-stall kind. We want a pretty, romantic tent. Enter Sperry tents, their beautiful new canopies give any event Camelot-worthy style. Makes us want to find a knight in shining armor...

THE HOSPITABLE HOSTESS

You've got the tent, the tables, photographer....who's going to pour the drinks, pas the food and handle the clean-up?!...who. From intimate to a dancing-on-the-tables good time, from simple to grand, The Hospitable Hostess can cover it all.
KLC PHOTOGRAPHY

Korri Leigh contributes event photos to Local Betty, but we really love her images of people—families, kids, and weddings. She has an extraordinary eye honed on extraordinary trips to far away places; count on a fresh, not-so-suburban perspective from Korri. Bonus: she has her own little one, so she knows how to capture kids in motion.

FOCUS GALLERY - Gallery Rental

We want to turn 40 again so we can rent the Focus Gallery. The sleek space with gorgeous photos on the walls is very Manhattan loft-hip. Perfect for a graduation, fundraiser, or fabulous birthday fete.

Thing is, Cindy and her crew are so nice, so laid-back, so effortlessly cool that renting the space for a party is going to be more elegant-chic than snob-hipster. Rent a beautiful space, have fun, leave the pretension at home.
HARVEY THE SHAKE TRUCK

Let's start with the fact that b.Good has awe-inspiring milkshakes. Redhead Betty is quite addicted to drunk Elvis {peanut butter, banana, chocolate} but will cheat on him for the chocolate malt any day.

Now imagine a charming truck {named Harvey} showing up at your party, to dispense said milkshakes and malts to your assembled and very, very impressed friends and family!

Send invitations, schedule Harvey: done and done - you've ensured party success. You needn't do anything else!

*b.Good also caters: little slider versions of their tasty tasty burgers, fabulous fries, plus. See the menu

PAPERSCAPES

Betty's favorite part of throwing a party is the paper, and Paperscapes knows paper. We love their charming invitations ... thank you notes. We need it all - true confession: the paper is one of the reasons we throw the party to begin with!
NONA'S ICE CREAM TRUCK

Did you know that Massachusetts consumes more ice cream per capita than any other state? Yeah, we don't know why either—unless it's because of Nona's. They do make some amazing homemade ice cream. Coffee Heath? Nuff' Said.

Now you can get the dreamy creamy stuff right on your party-hearty doorstep because Nona's has a truck. Tell them what flavors to load in, and they'll come to your party, your office, your family reunion and serve it up. Jimmies and all.

C-CUPS CUPCAKES

Everyday Sara packs up her super-trendy truck with dozens of fresh, tasty cupcakes and heads out on the open roads of Southeastern Massachusetts.

She mixes up only the freshest ingredients, in small batches, to make her tasty cupcakes and other sweet treats.
Place an order for delivery, "hire" the truck to come to a party, or follow her on Twitter to see where she'll be.

A WHOLE LOTTA BOUNCY GOING ON

Why do we think renting a bouncy house should end at age 4? We know a certain someone that had a pinata, a velcro wall, ... and a balloon artist for her sweet 16. The finishing touch? Sliders catered from b.Good. Who says you have to grow up?

We like It's2Cool, they have a ridiculous number of inflatable options, plus the velcro wall, the bungee pull, and outdoor movie screens. They have the bouncy best. Lots of styles for your "baby" to choose from.

* Full disclosure, they all had to wear bike helmets, when you're over 60 lbs. a moon bounce is more like a mosh pit.

Address: 905 Turnpike, Canton {they deliver of course!}

LOBSTER BOILS & CLAMBAKES - Grill 41
It just doesn't get any more Massachusetts-ish than to throw a good old fashioned bake. It's a summer rite of passage, and you can't beat the smell of delicious seafood cooking in the salt air.

So call in **** they'll set up your clambake or your lobster boil so you get to enjoy the fun. Can't think of a better way to spend a summer evening.

HIP HOORAY

Hip Hooray is a Betty Pick- we found it surfing the web {yes, that's how we roll} and fell in love. Not only are they amazing for party planning, they offer eco-friendly decorations that you can use over and over. When the last candle at the last party is blown out- you can recycle them!
